Assembly Instructions

Kit includes: top, tambour wrap and base

1 Place the base on the floor with the ridging uppermost. Attach the tambour to the base.

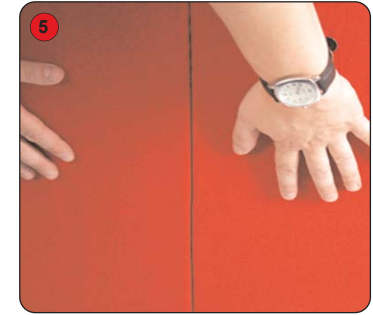

2 Make sure that the hook fastener on both the tambour and base fit securely together.

3 Once the tambour has been fastened all the way around, open the tambour up to the edges.

4 Place the top onto the tambour wrap and secure using hook fastener.

5 Check that the tambour is aligned correctly so both ends meet.
