# Assembly Instructions

Kit includes:  
base, bungee pole set and  
carry bag

Assemble the bungee pole and insert  
into the base.

Lean the bannerstand backwards  
and extend the banner by lifting the  
top rail until the complete image  
is visible.

Finally secure the banner by locating  
the top rail cup over the pole.

Take care when lowering the banner to prevent damage  
to the graphic (do not drop)

Other products in our value range include:
